

# Monarch Rest Pre-Order Checklist

## Things you should consider when choosing your mattress

---

- 1. I know my primary sleeping position - side, back, stomach, combination
- 2. I tend to sleep - hot...or...cold
- 3. I've considered my partner's needs (if applicable)
- 4. I've identified 1 or 2 mattresses that match my needs
- 5. Know my preferred firmness level
- 6. I have a realistic idea of my budget
- 7. I've reviewed the foundation options - bunkie board, platform, adjustable
- 8. I understand foundation is required for warranty coverage
- 9. I've decided on a... - standard or low-profile height
- 10. I have verified the mattress size needed for my bed frame
- 11. Split King discussed (if different firmness needed)
- 12. Doubled check if foundations and mattress types are compatible
